SWIM SMART CLINICS coached by Marc Fraser-Bell

Not just another swim clinic. Learn to swim faster smarter not harder.

- Do you know what you should be thinking about while you swim/train?
- Do you just switch off during training or think about anything other than what you are doing?
- Do you think training harder will make you a better swimmer and hopefully one day swim faster?
- Do you swim amazing one session then horrible the next and have no idea why?
- Do you train like a champion but when it comes to racing it just doesn't come together?

If you answered yes to one or more of these questions then this clinic is for you. These questions and many more will be answered in this 3 day clinic. Swimming better and faster starts with you, not your coach nor your parents. Learn the foundations and answers to these questions and more that will set you on the road to success.

For further information or questions regarding the Swim Smart Clinic please email Marc at swim.smar7er@gmail.com

Thank you, *Hector Aguilera, Athletic Director*

SWIM SMART CLINICS coached by Marc Fraser-Bell

Bukan sekedar *swim clinic*. Belajar renang dengan cepat dan cerdas bukan kerja keras.

- Tahukah Anda apa yang harus perenang pikirkan pada saat latihan/ berenang?
- Apakah Anda melamun pada saat Anda latihan?
- Apakah Anda pikir berlatih dengan keras akan membuat Anda menjadi perenang hebat dan berharap satu saat nanti Anda menjadi perenang tercepat?
- Apakah Anda cukup berenang dengan hebat di satu sesi dan selanjutnya entah bagaimana?
- Apakah Anda berlatih seperti calon pemenang tapi pada saat kompetisi tiba semua menjadi diluar kendali?

Jika jawaban Anda "Ya" untuk beberapa pertanyaan diatas, klinik ini tepat untuk Anda.

Pertanyaan-pertanyaan ini akan dijawab pada klinik selama tiga hari.

Berenang lebih baik dan lebih cepat adalah urusan Anda bukan orang tua atau pelatih Anda.

Pelajari dasar dan jawaban atas pertanyaan-pertanyaan itu supaya Anda berada pada jalur yang tepat menuju sukses.
