Unity in Diversity 16 November 2016 – International Lunch

Dear Parents,
On Wednesday 16 November BIS will be celebrating Unity in Diversity Day and at 12:15 pm we will have an international lunch. Please could you send or bring one dish of food typical of your country (portions to serve 6 people) on 16 November. Drinks would also be appreciated.
We are looking for parents to help coordinate the food stands of the different nationalities. This will involve laying out the food on tables grouped according to nationality on the covered court from around 11.00, and decorating these tables, for example with items typical of the country. Many parents will be there and no doubt will be happy to help, but to ensure all countries get set up we would like to have one or two parents coordinating each food stand.
Please could you let Ibu Tanti, myself or Pak Ridwan know if you can help us set up for the international lunch? Thank you very much for your help. *Ms. Mary*

JASIS Athletics Carnival 19 November

The JASIS Athletics Carnival, organised by the Inter Community School of Bogor, will be held at Bogor Botanical Gardens on Saturday 19 November from 7.30am – 12.30pm. Pak Samaun will take students from BIS. Students from Grades 1 – 6 can join as long as they are aged between 7 and 11. Students in Grades 1 and 2 will need to be accompanied by a parent. There will be a combination of traditional running, hurdles and round robin activities. Team ribbons will be given out at the end of the carnival.
Please tell Pak Ridwan, Pak Samaun or Mr. Hector by 3 November if your child will join. The cost per student will be around Rp 250,000 and I will send more information soon. We will provide transport and will leave BIS at 5.00 or earlier on 19 November.
Please note that there is a Musical Drama rehearsal on the same morning so students in the Drama ECA will not be able to join the carnival. *Ms. Mary*

Please go to the school website and under "Our Community" you will see a link for the new building designs. You can click on them and leave comments or questions if you wish.

Dismissal of Students After School & After ECAs

Dear Parents,
I would like to remind you that if your child's pick-up arrangements change on a given day, you need to notify the school. Only students from Grades 9 to 12 may leave the school by themselves. After ECAs, there is no teacher on duty and ECA leaders are not responsible for taking children to the carpark. Therefore, in the case of very young children, we suggest that parents pick up their child from the ECA venue. As a general security and safety precaution, parents are kindly reminded to have children picked up promptly at the conclusion of extracurricular activities each day. Parental attendance at Early Childhood/ Elementary activities is always encouraged.
Domestic helpers of students in Grade 1 and above will only be allowed on campus if parents have requested this in writing.
Please ask me if you have questions.
Ms. Mary

Dismissal of students After School and After ECAs

Orang Tua Siswa yang Terhormat,

Saya ingin mengingatkan kembali mengenai penjemputan anak yang berubah dari jadwal diasannya supaya disampaikan sebelumnya ke sekolah. Hanya anak-anak *grade 9* sampai *12* dapat meninggalkan sekolah tanpa didampingi orang tua. Setelah ECA disekolah tidak ada guru piket dan *ECA leader* tidak bertanggung jawab untuk mendampingi anak Anda ke *carpark*. Oleh karena itu, untuk anak yang masih kecil, kami sarankan supaya orang tua menjemput di tempat kegiatan ECA. Untuk pertimbangan keamanan dan keselamatan, kami mengharapkan kepada para orang tua siswa supaya menjemput anak-anak mereka pada saat kegiatan ECA berakhir sesuai jadwal masing-masing. Kehadiran para orang tua siswa yang anak-anaknya masih tingkat *Early Childhood/ Elementary* pada saat kegiatan ECA sangat diharapkan. *Domestic helper* para siswa *grade 1* keatas hanya diijinkan masuk ke dalam sekolah jika orang tua siswa sudah menandatangani surat ijin tertulis. Silakan menghubungi saya jika ada pertanyaan.
