Is your son or daughter graduating this year? Moving to a new grade level? Would you like to tell them how proud you are of them? This year, the BIS Yearbook staff is happy to offer student tribute pages for sale. The tribute pages are a great way to add a personal touch to your child's, or loved ones', 2016-17 yearbook by including a personal note or message to them that will be preserved forever.

Yearbook tribute pages are being offered in both full and half page options and in a variety of styles. The full page option includes a personal message and up to 10 photos. The half page option includes a personal message and up to five photos. You will simply choose an option, provide any specific photos you would like included and write your personal message. The members of the BIS yearbook staff will create your tribute page, submit a draft to you for approval, and add it to the yearbook.
