TEDx-postponed until September

Dear BIS community,

On behalf of the Grade 11 and TEDx committee, we would like to announce that this year's TEDx date, May 4th, has now been postponed for 1st Semester in 2017-18.

Due to the regulations updates regarding the event license, we were not able to renew our license and to have it approved for May 2017 or any other time that would suit our calendar dates. We will be working on the license and are looking at September 2017 to officially host our TEDx Youth Event.

Hopefully, the speakers and audiences can work together to support our schedule.

Please do not hesitate to email if any further questions.

Sincerely,
Grade 11 and TEDx
Committee

EC3 and G1-5 Indonesian and Chinese language classes 2017-18

The current EC2 parents and Grade 1 to Grade 4 parents have been sent letters about next year's Additional Language classes. Students choose between Indonesian and Chinese for their additional language, one period a week in next year's EC3, and three periods a week from Grade 1 to Grade 5. The letter also asked EC3 - Grade 4 parents to indicate whether their child will take an optional after school language class.

Homeroom teachers, myself and Ibu Afi are happy to talk to any parent who needs help in deciding which language choice will be best for their child. We ask that parents return the completed slips showing language choices to Pak Ridwan by Monday 8 May.

Thank you for your support.

Ms. Mary
