Elementary Additional Languages 2017-18

Dear EC3 and Elementary Parents,

If you have not done so already, please return the form about additional language choices for 2017-18 to Pak Ridwan. Next school year we will offer the optional after school language classes once a week. Indonesian and Chinese for Grades 1-3 will run each Wednesday from 2.50 – 3.30. Indonesian and Chinese for Grades 4-5 will run each Monday from 2.50 – 3.30.

Later, if there are requests from parents, these times may change or additional classes may be scheduled, e.g. it would be possible to run one of the classes twice a week while continuing with the others once a week only. We aim to be flexible and responsive to the needs of parents and students.

Next week is the final week of the optional after school language classes for this school year. From 12 June your child will go home at 2.45. After school language classes will start again at the end of August.
