Happy Holidays

Dear Parents,

The end of another school year is almost here! We have really enjoyed working together with students, staff and parents during 2016-17 and appreciate your support. We wish all BIS families who are leaving the best of luck in their next adventures.

Report cards will go home next week: Secondary reports on Monday 19 June and Elementary reports on Tuesday 20 June. There will be a final whole school Assembly on Wednesday 21 June at 11:00 a.m. on the covered court. This Assembly will include a special Idul Fitri celebration led by some of our young students.

On Wednesday all BIS students will leave at the same time. This might increase the waiting time for our younger students. Therefore we have organised an early dismissal time for Early Childhood. The EC students should be picked up from class between 10:00 and 10.45 on the last day of school. Of course they are welcome to join us for the Assembly on the covered court at 11:00 if they wish.

School closes at 12 noon on 21 June. Please make sure that your child is picked up promptly.

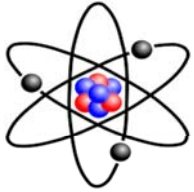

School reopens for the students on Monday 7 August.

Wishing you and your family a safe and happy holiday, and to those who are celebrating, Selamat Hari Raya Idul Fitri, Minta Maaf Lahir dan Batin.

Ms. Mary and Mr. Brookes

Science Fair BIS BUZZ Announcement

The BIS Science Department would like to invite the parents and community to attend the Middle School Science Fair on June 19th. The grade 6, 7 and 8 students have worked hard to design, perform and analyze science experiments of their choice. The students strive to connect their projects with real world applications and are excited to present their findings.

After lunch, the Grade 8 students will be presenting their GR8 projects. The Gr8 Project presentation is the culmination of an entire semester's worth of research and work on using their personal interests to impact the greater community.

Science Fair: 9 am – 12pm

ICT GR8 Project: 1pm -2:40pm

Happy Holidays

Orang Tua Siswa yang Terhormat,

Tahun Ajaran baru akan segera datang! Kami sangat menikmati bekerjasama dengan para siswa, staf, dan juga para orang tua sepanjang tahun ajaran 2016-17 dan kami juga sangat menghargai dukungan Anda. Kami ucapkan semoga sukses kepada anggota komunitas BIS yang tidak meneruskan di BIS, dan semoga sukses di sekolah barunya.

Report card akan dibagikan minggu depan: *Secondary report* dibagikan hari Senin, 19 Juni dan *Elementary report* hari Selasa 20, Juni. *Final whole school Assembly* diadakan hari Rabu, 21 Juni pukul 11:00WIB di *covered court*. Dalam acara *assembly* sudah termasuk perayaan Idul Fitri yang dibawakan oleh para siswa.

Di hari Rabu semua siswa akan bubar pada waktu yang bersamaan. Hal tersebut akan menimbulkan waktu tunggu yang lebih panjang untuk penjemputan siswa-siswa *Early childhood*. Oleh karena itu kami mengatur untuk pemulangan lebih awal untuk para siswa *Early Childhood*. Anak-anak EC harus dijemput dari kelas mereka antara pukul 10:00 sampai 10:45WIB di hari terakhir sekolah. Mereka boleh datang pada acara *assembly* di *covered court* pada pukul 11:00WIB jika mau. Sekolah tutup pada pukul 12:00WIB tanggal 21 Juni. Pastikan anak-anak dijemput pada waktunya. Sekolah kembali dibuka untuk para siswa hari Senin, 7 Agustus.

Semoga liburan Anda aman dan menyenangkan, dan kepada yang merayakan lebaran kami ucapkan Selamat Hari Raya Idul Fitri, Minta Maaf Lahir dan Batin.

Ms. Mary and Mr. Brookes

Science Fair BIS BUZZ Announcement

BIS Science Department mengundang para orang tua siswa dan komunitas untuk hadir pada acara *Middle School Science Fair* tanggal 19 Juni. Para siswa *Grade 6, 7 dan 8* telah bekerja keras mendesain, melakukan percobaan dan menganalisis tema pilihan mereka. Para siswa mengerjakan proyek mereka yang langsung berhubungan dengan penggunaan sehari-hari dan mereka senang karena akan mempresentasikan hasil penemuan mereka.

Setelah *lunch*, Para siswa *Grade 8* akan mempresentasikan proyek-proyek mereka. Presentasi Proyek merupakan riset akhir yang menunjukkan minat mereka terhadap penelitian yang akan memberikan pengaruh terhadap komunitas.

Science Fair: 09:00 – 12:00WIB

ICT GR8 Project: 13:00 –14:40WIB
