

Position Available Science Teaching Assistant Bandung Independent School

Join our world-class team at the best school in the best city in Java beginning in August 2021. Candidates will also be familiar with and committed to the Vision, Mission, and Values of our school community. To successfully implement our student-centered curriculum, teachers are supported with high-quality professional development opportunities.

You will be expected to assist and support the program in other areas of the school as deemed necessary by the Head of School or Principal, including extracurricular programs and events that occasionally occur during evenings or weekends.

Please note: We will not entertain applications from candidates who are not **certified** to teach in their Subject area.

Requirements:

- Fluent English (please reference IELTS / TOEFL score in cover letter)
- Minimum Bachelor degree in Science
- Degree or certificate in a teacher preparation programs
- Teaching experience required
- Laboratory assistant experience is preferred
- Strong IT skills and knowledge (Windows 7, Office 2010, Google Apps) with experience integrating IT in the classroom
- Commitment to lifelong learning and ongoing professional development
- Commitment to a student-centered, inquiry-based learning environment
- Commitment to self-improvement and reflective practice
- Commitment to and genuine appreciation for internationalism and diversity

Interested applicants please submit CV including professional references, outlining your strengths, experience, and interest in BIS through email to our Personnel: personnel@bisedu.or.id Applications should be submitted in English by email only.
